Subject Purchase of Heat Master.

---

23 At present there is only one Heat Master for the heating of Asphalt and maxphalt used for tarring of roads. A larger number of works have been sanctioned by the Council for tarring of roads in the city under the tarring scheme. It has not been possible to take up the works quickly and cope up with the sanctions obtained for want of another tar boiler. A proposal of the Municipal - Engineer to purchase another tar boiler (Heat Master) was therefore approved by the Council at their meeting held on 5-2-54. The cost of the same will be Rs 6000/- allowing for packing freight etc. to get it from Messrs William Jacks from whom the existing one was purchased in 1949 or any other Company who may deal in the same at present

In view of the urgency, the proposal to purchase the same in anticipation of sanction of Government has also been approved by the Council.

I enclose a copy of the resolution of the Council and reques that orders of Government may kindly be obtained sanctioning the purchase of a Heat Master at a cost of Rs 6000/-.

Yours faithfully,

(N Lakshman Rau).

Sir,

Subject - Purchase of heat master.

--

In continuation of this office letter No.C 2 P.R 207-156 53-54 dated 9-2-54 on the above subject, I write to state that quotations were called for, for the supply of one Heat Master required for the use of the Mysore City Municipality. The undermentioned firms have submitted their quotations -

Bangalore Electrical Mart	Rs 19795/- F O R Mysore
2 Excellent Engineering Co ,	Rs 3,300/-(Indian Male) F O.R Godown Bombay
3 Marshall Sons & Co ,	Rs 3329/- (Indian Make) F.O R Calcutta)
4 M Ramaiah & Sons	Rs 7,550/- F O R Bangalore
5 William Jacks & Co ,	Rs.6390/- F O R Madras

The two firms which have quoted lower rates than M/S Willi Jacks & Co , offer only heat masters which are not in use in Govern ment P W D and are not still popular Hence Heat Master manufacturered by standard firms and used by Government Departments and Municipalities are preferable The next lower rate secured is fro M/S William Jacks & Co , Ltd , Madras who have quoted a rate of Rs 6390/- including tools etc , required It is from this firm tha one Heat Master was purchased during the latter part of December 1949 and the same is giving us satisfactory service

In view of the urgent necessity for another Heat Master to speed up tarring works in Mysore city, as already explained in this office letter No C 2 P R 207-156/53-54 dated 9-2-1954, orders have been placed with M/S William Jacks & Co , Ltd., Madras for supply of one Heat Master.
